“ So sorry to hear of Frank's passing. I met him when he was a very young man, probably just out of high school . He began working at a wholesale grocery where I was employed and he became friends with all of us in the office and the warehouse. He always had a big smile and a good word for all of us.. Sending condolences to his wife and family. May God bless and comfort you all.

“ Frank & I went through grade & high school together. He was a quiet & gentle person. Always a gentleman. I knew Sandy also. My prayers are with Sandy & the family. He was a good man, & by his life, I believe he made it over Home. May God comfort you with His peace in knowing you'll see him again.

“ When he sang in church, his face would just light up. Whether it was leading the choir, leading the congregation, or singing "God Bless the USA", I think of Frank and I think of music. He will be truly missed, but I am sure he has joined a heavenly choir.
