“ So sorry to hear the passing of Wayne. I had the honor of working with him for a few years. He was a great guy always had fun joking with him at work, So many times he would bring me roots from his flower for me to plant at my house. I am so glad he did now every year when they bloom they are a reminder of him and his kindness. Sending prayers to his wife, children and grand children who he spoke very highly of. You will be missed Wayne but We will see you again

“ To all of Wayne's family my heart goes out to you all for your loss. I can't find enough kind words to say about him. Working for the Sheriff's Office our path crossed many times. He was an awesome person to work with and someone that quickly became a friend. We have lost a very special person but God has gained an awesome angel.

“ So sorry for your loss. I transferred into the Area in 1972 and always enjoyed time spent with Wayne. I always felt that Wayne really liked his work with the Virginia State Police as I did. Wayne had this thing about him, if you are going to do something, do it right. And he did, each and every day. We know he is in a better place now, but we all will miss his presence.

“ I am very saddened to hear of Wayne's passing. Having worked many midnight shifts with Wayne during my tenure at the FCSO, I knew Wayne would always be there to cover my back if needed. His calm and caring demeanor never wavered, even in the roughest of situations. Wayne was an excellent police officer, an outstanding person, and an asset to the Virginia State Police. He will be sadly missed by the many lives he touched. My condolences are extended to his entire family. May God comfort and lift you during this most difficult time.
